On Exhibit through May 7, 2011**

Showcasing the diversity, defining the differences and finding the commonalities of how art is made in Austin, be it East side or West side, our new group show offers a glimpse into a select few artists from the vast array of art and photography styles available from East and West artists--no matter where they are on the map. Using Congress Avenue as the dividing line, **East Meets West** at **Austin**

Darwin Jones 'Fall & the Surprise'

**Details Art + Photo**, bringing the two together in our centrally located gallery on 8th at Congress, where we are exhibiting art in different medias with unique creative paths and visions.

Featured artists from the East are **Rebecca Bennett, Adreon Henry, Darwin Jones, Carol Lyon** and **Deborah Poisot**; from the West, **Bill Barber, Erika Jaeggli, Erik Pronske** and **Stephanie Rubiano**.

Celebrating the achievements of these local artists with us is local sponsor **Dripping Springs Vodka**, welcoming in the warm weather with one of its signature cocktails, the *Primavera*.

## About the juror Jann Alexander:

## About Austin Details Art & Photo, Where Art Meets Tech:

Austin's new downtown gallery is an interactive, energetic, creative experience where art creators and art enthusiasts connect. Original art and photography is dynamically presented on our 17' walls, on our 58" new media HDTV display with continuous slide shows and videos, in our thematic group shows, on our 12x12 Wall for local emerging artists. Our exhibitions, creative workshops, art talks, art films, and pro services for photographers and artists (including fine art archival printing), attract a creative audience and the energy is contagious. **Austin Details Art + Photo** is also home to the on-going [Vanishing Austin](#) photography series created by founder | director Jann Alexander
