## Fine Art Photography Services

One painting can be photographed for \$45. For multiple paintings, please contact us for further pricing guidelines. Currently, we do not photograph 3-D work.

### When you receive your photograph:

You will receive a DVD with the original file as well as three (3) color corrected files in these formats:

- A lo-res 72 ppi sRGB file for website and e-mail use
- A high-res TIFF RGB file for color fine art inkjet printing
- A high-res CMYK 300 ppi TIFF file for color offset printing

### Fulfillment and Pickup:

Fine art photography is by appointment only. It will take about 3 business days after the photography is done for the DVD to be ready. You may pick the DVD up from the gallery, or you may have it shipped (not included).
